PLAN GROUP RESEARCHERS WIN CASEY BALDWIN AWARD OF THE CANADIAN AERONAUTICS AND SPACE INSTITUTE

Mr. Jared Bancroft, PhD candidate, Professors Mark Petovello and Gérard Lachapelle, and Messrs Bill Gelatka and Lloyd Bobb, U.S. Navy, received the Casey Baldwin Award for the best paper published during 2009 in the Canadian Aeronautics and Space Journal. The paper, on “Temporal GPS Positioning for Determining the Relative Motion of a Suspended Object in Flight” is the result of a collaborative project between the PLAN Group and the U.S. Navy.
