PLAN Group Researchers Win Track C Best Paper Award at the IEEE/ION PLANS 2010 Conference

Mr. Mohammadreza Zaheri, MSc student, won the Track C Best Paper Award at the IEEE/ION PLANS 2010 conference held in Indian Wells/Palm Springs, California, on May 4-6. His paper, co-authored by Dr. Ali Broumandan and Professor Gérard Lachapelle, is on **Detection Performance Comparison of Polarization and Spatial Diversity for Indoor GNSS Applications** and was presented in Session C4 on Weak Signal Processing. Mr. Zaheri is co-supervised by Professor Lachapelle and Dr. Broumandan.

The full paper is available on Project #32 of the PLAN Group website (<http://plan.geomatics.ucalgary.ca>)
